Presentations:

- a) Lectures in Czech, Slovak or English language.
If they will be in Czech or Slovak language, the presentation of lecture (slide show) must be in English.
 - Time for lecture is 15 min.
 - Poster maximal size 120x90 cm
- b) Posters in English.
- c) Multimedia data projector is available.

Publications:

Participants will obtain Military Medical Science Letters (MMSL) with published abstracts at the registration desk.

The selected contributions presented at the conference Toxcon2013 will be allowed publishing them *in extenso* in MMSL, Interdisciplinary Toxicology and Neuroendocrinology Letters.

Those who are interested in this offer, please send manuscripts, prepared according to the instructions for authors of selected journal, to address toxcon2013@gmail.com.

Those interested in publication in the Neuroendocrinology Letters, manuscripts should be sent to email plhaloval@vfu.cz.

Please, manuscripts send **no later than June 20th 2013**.

Due to limited capacity, the Scientific Committee will select the contributions, that will be recommended to individual journal editors for publishing.

Information for authors will be listed on conference websites.

Important dates:

- **Deadline for registration and abstract submitting: May 15th 2013**

On-line registration: <http://www.fnhk.cz/toxcon2013/registrace>

After submitting the registration form the confirmation letter with **registration number** will be sent to your email (please use during the payment, see below). You must confirm your registration by clicking on the link for successful completing registration process.

Please, be careful when filling registration form – especially name, affiliation and email address, these data will be presented in Conference Book and on your badges. Once filled, cannot be changed!

Please send your abstracts to toxcon2013@gmail.com

Abstract has to have an exact form, so please respect our instructions for active participants
Abstracts sent after deadline will not be published in MMSL.
